

Join us in celebrating the wonderful City of Bangor!

BANGOR DAY

Friday, December 21, 2018

On December 21st, we are asking all Bangor employees and students to wear Bangor colors:

CARDINAL RED and **WHITE**

In addition, we want to support and help those in need in our community. During the month of December we are:

Collecting healthy non-perishable foods including canned vegetables and fruit, canned meat and tuna, cereal, pasta, rice, peanut butter, juice and beverages,

And

Collecting donations for gallons of heating oil.

Donations may be dropped off at any Bangor School.

We are working in partnership with the City of Bangor and CPPC. Food donations will be distributed to local food pantries and the Good Shepherd Food Bank.

Let's show our Bangor spirit, wear our school colors, and help those in need in our community. Collection of food items and donations for heating oil will be collected at all eleven (11) Bangor Schools and the City Hall beginning on November 28th.
