

Standardized Testing Plan
Northwest Evaluation Association (NWEA)
William S. Cohen School
Fall 2021

Dear Parents and Guardians:

Students at William S. Cohen School will participate in the Maine state assessment next week (NWEA). Historically, William S. Cohen's achievement results have been very strong as compared to other middle schools in Maine. This success is built on the dedicated efforts of our students, quality educational experiences designed by our faculty, and tremendous support from Cohen families.

The following testing schedule has been designed for our students -

Day 1: Tuesday, October 19

- **Test: Reading**
 - Time: 8:20 AM

Day 2: Wednesday, October 20

- **Test: Growth Language**
 - Time: 8:20 AM

Day 3: Thursday, October 21

- **Test: Mathematics**
 - Time: 8:20 AM

- Each testing session is approximately one hour.
- Students laptops should be fully charged as the assessment will be taken using the school laptop.
- Students should have their laptop chargers with them in case there is an issue with their laptop charge.

Thank you for supporting your child's educational experience at William S. Cohen. Please call my office at 941-6230 if you have any questions about the NWEA assessment.

Sincerely,

Michael H. Missbrenner
Principal
